

Teacher Education Division
April, 2008

Report of: Member-at-Large: CEC Knowledge and Skills Subcommittee Representative

From: Judith Winn
University of Wisconsin-Milwaukee
jwinn@uwm.edu

Term: January, 2007- December, 2009

Goals:

1. Represent TED and actively participate in all activities of the CEC Knowledge and Skills Committee.
2. Attend TED Board meetings at TED and CEC conferences.
3. Facilitate TED's development of Advanced Specialty Standards in the areas of inclusion/curriculum adaptation/curriculum access

Accomplishments

1. Will attend the meetings of the CEC Knowledge and Skills Subcommittee meeting at the 2008 CEC conference in Boston (April 1 and April 4). The agenda items are:
 - Translations of CEC Standards in Qatar
 - DHH Initial and Advanced Surveys
 - DVI Initial Survey
 - DPHD Survey
 - ED Survey
 - CCBD Fine Tuning
 - Status of TAM Set
 - Status of DLD Set
 - Status of DDD Set
2. The TED committee members working on the new set of Advanced Standards in the areas of inclusion/curriculum adaptation/curriculum access (the term "inclusion specialist" is being used as a placeholder) are Sandra Cooley-Nichols, Marilyn Friend, James McLeskey, Craig Rice, Nancy Sileo, and Judy Winn. We met on Thursday, November 8, 2007 at the TED Conference in Milwaukee. At that time, we worked on role clarification for the position we are developing standards for. We will meet at the 2008 CEC Conference in Boston on April 3, 2008 from 10:00-1:00 to continue the work.
