

Council for Exception Children

Teacher Education Division

Report of: Peggy Gallagher, President Elect

Date: March 20, 2008

From: Peggy Gallagher

Term: Spring 2008

Goals

1. Launch strategic planning process.
2. Finalize plans for CEC conference program.
3. Help orient VP McHatton.

Accomplishments:

1. Negotiated contract with Reeves and Associates to help with strategic planning process. Process will be year-long. It has been nearly 10 years since the current strategic plan was developed. Obviously, the landscape on which the Division and the profession must operate has changed. Input will be gathered from key informants, TED Board members, and the membership, culminating in a day's planning session for Board members at TED in Dallas.
2. Finalized plans for Showcase and Invited Sessions for CEC in Boston; corresponded with presenters for multiple format sessions, and responded to inquiries re. other presentations.
3. Emails and phone correspondence with VP McHatton re. roles.

Discussion/Action Items:

1. Will bring discussion questions re. strategic plan.
