### **Proposal: Recruitment Advertising – TED Website**

Recruitment advertising on the TED Website would provide a service TED members regarding the location of positions that are available at institutions of higher education throughout the nation. Announcements for faculty positions in special education and related services areas could be submitted directly to the TED Website webmaster for posting on the site for a specified amount of time. However, the Council for Exceptional Children has already implemented a CEC Career Center that includes “Online Classifieds and an “Online Job Board.” It can be found at the following link:

<http://www.cec.sped.org/Content/NavigationMenu/ProfessionalDevelopment/CareerCenter/default.htm>  
and at <http://www.specialedcareers.org>

In addition, the Chronicle of Higher Education and Education Week have online recruitment advertising as well as advertising in their hard copy publications.

Based on the request of the TED Board of Directors, the Publications Committee has examined the feasibility of establishing recruitment advertising on the TED Website. There are three options for the Board to consider/examine before implementing this option:

- (1) Take no action and do not include this option on TED Website because this type of service is offered by the Council for Exceptional Children, the Chronicle of Higher Education and Education Week (as well as on local college and university Websites).
- (2) Provide recruitment advertising free of service to TED members. It is recommended that TED members provide their membership ID number in order to access any recruitment advertising.
- (3) Provide recruitment advertising services for TED members but implement a fee for those colleges and universities who want to advertise positions on the TED Website. For example:
  - a. The Council for Exceptional Children Online Classifieds start at \$207 per month for each position advertised; the rate for 3 months is \$420 and for 6 months the rate is \$790 per position. In addition, CEC is unveiling/launching a new Online Job Board at [www.specialedcareers.org](http://www.specialedcareers.org) The Job Board rates are \$250 per month per position. A package of 3 positions posted for 30 days is \$675; 5 positions posted for 30 days is \$995 and 10 positions posted for 30 days is \$1,895.
  - b. Education Week charges \$429 per column inch in their hard copy publication for recruitment advertisements. The standard ad is 2 columns wide by 3 inches long.
  - c. Chronicle of Higher Education charges \$136 per column inch for recruitment advertising in one issue (30 days). Classified ads are \$225 + \$1.40 per word. The Chronicle charges \$250 for 30 days for its online Chronicle Careers Website at <http://www.chronicle.com/jobs>

Determine advertising rates and advertise the option to colleges and universities around the nation.
